We would like to attract some new faces for the coming season. Unused leaflets should be returned to the clubhouse where more supplies and **posters** can be found.

Floodlighting

Some members are aware that floodlighting has been planned for courts 5 and 6. The lights will allow all club sessions, including evening groups, to continue all year round. This will mean better value to our members and will hopefully attract some newcomers.

We have already obtained planning permission for the lights and so far we have raised around £9,000 towards the £20,000 costs. Lottery funding has also been applied for and we are waiting to hear if we have been successful.

In the meantime, it is important that we continue to raise funds for this exciting improvement. We will be organizing and participating in lots of fundraising events throughout the year and would greatly appreciate support from all members. If anyone has any ideas for ways to help the club, please speak to a member of the Committee.
